Supplement F

To: All Divisions and Sections, Special Commodities Branch

From: H. C. Albin, Chief, Special Commodities Branch

Subject: Representation for the Special Commodities Branch

Attached is a list showing the individuals who have been designated to represent this Branch and the subject of their responsibility.

It will be noted that George H. Daniel has been given the responsibility for representation on a number of subjects which were previously assigned elsewhere or were unassigned. Recently, employees of the Branch have, of necessity, carried on negotiations which may properly be classed as liaison relationship and as such should now be referred to Mr. Daniel.
